Aquatic Explorations!

Engage in marine science with Mass Audubon Naturalists on a 2-hour boat cruise aboard Hy-Line's Sea Swan and discover creatures that live in Cape Cod waters! We'll use an otter trawl net, fish pots and plankton tow to bring everything from microscopic marine life to glowing Comb jellies to small sharks on board for close up observation.

This family oriented cruise will launch from Hyannis, and travel through Lewis Bay, Hyannis Harbor and near shore Nantucket Sound.

**Cruises depart Thursdays, July 8th, 15th, 22nd, 29th and August 5th and 12th
1:30 pm – 3:30 pm**

Cruises leave from Ocean Street Dock

\$35 for members, \$40 non-members, \$25 for Children m, \$30 children nm

Preregistration required. For more information and to register call 508-790-0696, and ask for Mass Audubon's Aquatic Exploration Cruises
